

ABOUT US

MGS Marketing Solutions is an integrated marketing, communications and public relations firm.

Since 2001, we have provided a specialized approach which enables us to offer you important and valuable benefits. We do not simply execute the functions of public relations, marketing and communications, we build businesses.

At MGS, we will look for new ways to drive value into your business by developing and executing customer-focused programs aimed at increasing sales, improving company market position or increasing market share.

Whether you're trying to increase sales, educate customers or shift a perception, our strategic marketing, communications and public relations programs will move you towards your business goals. We help you redirect your dollars to programs that deliver strong and measurable financial rewards.

THE TEAM

Our team is comprised of experienced, dedicated and intelligent individuals with diverse industry experience and marketing expertise. Our consulting associates range from a former New York advertising agency guru to Fortune 100 marketing executives. For each client project or program, we assemble a core team with the particular expertise, skill set and management style needed to develop the plan and/or manage the project to completion – on time and within budget.
